

This video (running time 16 minutes) gives a brief glimpse of the underwater world and its inhabitants within the Pembrokeshire Marine Special Area of Conservation, a European Marine Site. It has been commissioned by the Relevant Authorities Group for the site to help raise awareness of just 'what is so special' about the area.

Mae'r fideo hwn (sy'n rhedeg am 16 munud) yn rhoi cipolwg ar y byd tanddwr a'i breswylwyr yn Ardal Cadwraeth Arbennig Forol Sir Benfro, sydd yn Safle Morol Ewropeaidd. Comisynwyd y fideo gan y Grŵp Awdurdodau Perthnasol ar gyfer y safle, er mwyn gwella'r ymwybyddiaeth o'r 'hyn sydd mor arbennig' ynghylch yr ardal.
